11 January 2024

Dear Parent/Guardian,

Last year, a number of parents highlighted in the parent survey that they would be keen on having a second parent-teacher meeting. This will be a short, informal meeting, either face-to-face or via telephone, informing you of your child's progress and will take place during the week beginning Monday 5th February. During this week all children will go home at 1pm, to allow the teachers time to complete these meetings.

Interviews are optional at this stage and will only be at the parent's request. These will be held between 1:10 -3:10pm on Monday -Thursday. If you would like an interview, please contact your child's teacher before Wednesday 31st January, using Seesaw, to arrange a suitable time and date.

As always, thank you for your continued support as we work together in supporting your child on their educational journey.

Yours sincerely,

Mr M Foster
Principal
